## Description

Your wedding is one of the biggest days of your life and you want the reception to be perfect. We offer a unique mobile wedding catering service across Hampshire and the south of England. We have catered for weddings in stunning hotels, barns, grand estates and even in the middle of fields. Regardless of where you choose to tie the knot, our job is to ensure the the wedding food is perfect in every way. Yum Street can provide a mobile wedding catering service to leave your guests with a truly memorable experience. Our catering team will help to create the prefect menu for your theme. So if you're hosting a festival themed wedding, we tailor the food service to provide festival street food vans. Alternatively, we can provide a traditional Asian or Indian catering service. The team can cater for allergens, and create a menu with the right balance of vegetarian, vegan or gluten free. We can even take care of providing waiters, cutlery & crockery and more.

# Creating an amazing wedding reception

Five examples of weddings we have catered for, that were completely different and unique.

## Errence & Ferne Festival Wedding

A festival wedding that was unique. This couple love music and wanted their big day to be a big private festival. This was a day of fun and an amazing thank you guys for inviting us to your big day.

## Jessica & Kevin's Street Food Wedding

Fantastic street food wedding, with food cooked & prepared live on site and served to guests straight from the pan, live wedding catering.

## Mr & Mrs English Vintage Van Wedding

Beautiful setting, this couple love and wanted a vintage van at their wedding. They hired our van to serve a full 4 course meal for their guests, with guest free to pop over to the van for a bite or three. Wedding catering that's a bit different.

## Phil & Beck's Barn Wedding

Amazing wedding in Dorset set in a barn. Pure vegetarian menu with waiters serving canapés, and 4 course meal to table. Wedding catering that perfect for you.
