

Training for business success through change

from: Profile-P

Price: £0.00

Date: 2020-01-16 06:55:59

Expiration Date: 0000-00-00 00:00:00

Description

Everyone has a role to play when change is needed. Some embrace change others fear change. For change to be successful your business needs to create a culture that accepts change and offers everyone the chance to benefit. This requires a full understanding of where everybody sits within the change profile. This comes naturally to some - the rest need training in the part they can play.
