

Coastline Glass

678 Anderton Rd, Comox, BC V9M 2J3

Canada

We are conveniently located in Comox and provide service to Courtenay, the Comox Valley and all surrounding areas. Our services include windshield replacement, rock-chip repair, camera calibration (ADAS), automotive door glass, rear glass, review mirror replacement and flat glass. All work is completed and inspected by a certified ITA Automotive Glass Technician with over 13 years of experience. You can trust that you're in good hands when dropping your vehicle off with us. We have refined the auto glass installation and repair process as well as gained plenty of experience working on a wide variety of vehicles including all domestic and foreign vehicles, classic cars, heavy equipment, boats and RV's. This accumulation of experience, attention to detail and desire to provide exceptional service guarantees a stellar experience at Coastline Glass.
