

A Star Roofing (WM) Ltd

57 Newtown Rd, West Midlands
Bedworth, Warwickshire CV12 8QD
United Kingdom

Phone: 02477 981126

We specialise in a wide range of roofing services, including expert roof repairs. We understand how stressful it can be to deal with leaks or damaged roofing, so we respond quickly and efficiently to all repair requests. Our team ensures that every repair is completed with precision, giving our customers peace of mind that their homes are protected. We are committed to delivering excellent service and making the repair process as smooth and hassle-free as possible. For those considering flat roofing, we offer high-quality solutions tailored to suit various needs and budgets. Our flat roofing services include options such as felt, asphalt, and EPDM rubber roofing, all designed to provide durability and weather resistance. We take great care in our installations, ensuring a seamless finish that enhances the functionality and aesthetics of any property. Our attention to detail and use of premium materials make us the go-to choice for flat roofing in Bedworth. Our rubber roofing services provide homeowners with a modern, durable, and low-maintenance option. Rubber roofing is a fantastic solution for those seeking a cost-effective yet highly reliable roofing system. At A Star Roofing (WM) LTD, we use only the best materials and advanced installation techniques to ensure maximum longevity and performance. No matter the size or complexity of the project, our skilled team is always ready to provide exceptional service, reinforcing our reputation as one of Coventry's leading roofing specialists.
